Architectural Thesis Award

ATA2023
IV Edition

01st March - 15th December

1500.00 USD

Mango Architecture is proud to present the **fourth edition** of its annual **Architectural Thesis Award**. Following the outstanding turnout for ATA2022, with more than **350+ participants from all corners of the world**, the International Thesis Award seeks to provide a global stage for young graduates and post-graduates to display their talents and be recognized by prominent figures in the industry.

The award features a total prize pool of **1500.00 USD**, with opportunities for **30 Honorable Mentions**, 20 Special **Mentions**, and **10 Select Mentions** to be featured in media publications on our website and social media outlets.

This competition is open to all recent or past graduate and post-graduate candidates.

MANGO ARCHITECTURE
ARCHITECTURE COMPETITION ORGANISER

- The Architectural Thesis Award Competition is open to all Young Graduates, Post Graduates and Professionals as there is no age restriction for the Thesis Award Competition.

- Entries are welcome from all around the globe.

- Submitted projects must not include any information (name, organization, school, etc.) that may give away your identity.

- The submissions received after the late submissions date will be excluded without prior notice.

- Participation in the Award Competition implies full consent and acceptance of the 'terms and conditions' and 'privacy policy' by the Organizers.

- The projects submitted are considered by the author that submits the entry for the Award. Every violation of copyright will be punished with immediate disqualification.

The winner will be the project that will stand out for the quality and the complexity of the proposal, concerning various aspects of design. In particular the following criteria will be considered in the assessment of the projects.
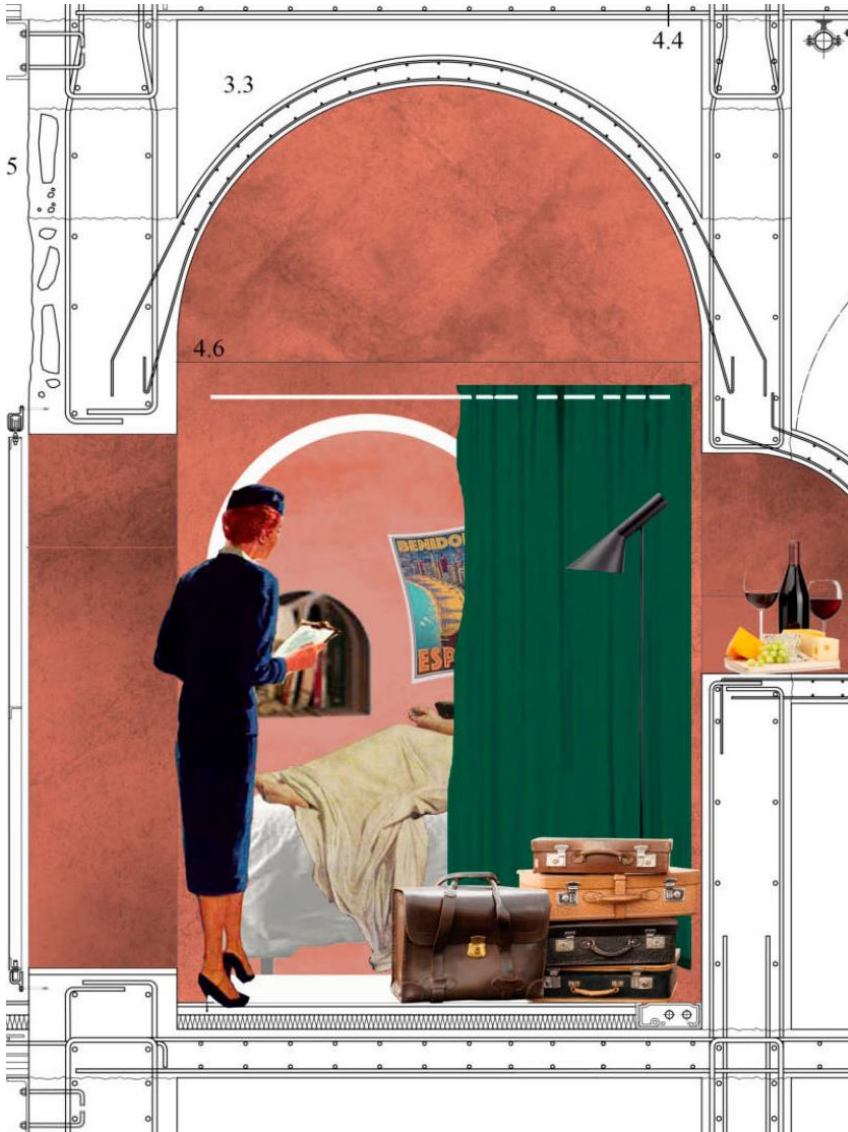

- **Concept**: A well driven concept of your thesis will add a point.

- **Representation**: Clearness of ideas and graphic quality and Integration with the context.

- **Board Composition**: Quality of the project and formal composition.

- **Feasibility**: Sustainability of the proposal from the environmental and feasible point.

Note: Do attach a developed statement (not more than 300 words) in .doc file (separate) describing the topic and method of study and the intellectual content of the design thesis. Should delimit the specific themes to be researched and addressed by the design project.

- The proposal to be presented on Horizontal/Landscape oriented A1/A0 boards (maximum 5 boards per registration).

- Unique Registration Code(URC) must be written in **bold** Century Gothic font, 15 mm in height on the top right corner of each board.

- Name of the submission file: Your Unique Registration Code(URC).pdf for example **ATA2023XYZ.pdf**

- All text must be in English, with small captions for project explanation across the boards(not compulsory).

- Submission may be presented using any technique of your choice (sketches, walkthrough, 3D visualizations, model photos, images, CAD drawings, etc.)

- Unique Registration Code(URC) must be the subject of the email. A 72 or 96-dpi resolution is suggested, but bigger resolutions are also allowed as long as the total file attachment doesn't exceed 15 MB.
