Architectural Thesis Award

ATA2024
V Edition

**01st February -
15th December**

2000.00 USD

Mango Architecture is happy to announce its **fifth edition** of the annual **Architectural Thesis Award**. After great success in **ATA2023** with **400+** registrations from around the globe, the **International Thesis Award** aims to promote and give a global platform to showcase the talents of **Young Graduates** and **Post Graduates**, acknowledging the projects amongst young and influential industry professionals.

The award includes a total **Prize Money** of **2000.00 USD**, where **30 Honorable Mentions**, **20 Special Mentions**, and **10 Select Mentions** will get a chance for media publication on our website and social media handles.

This award competition is open to all recent/past graduates or post-graduate candidates.

- The **Architectural Thesis Award Competition** is open to all Young Graduates, Post Graduates, and Professionals as there is no age restriction for the Thesis Award Competition.
- Entries are welcome from all around the globe.
- Submitted projects must not include any information (name, organization, school, etc.) that may give away your identity.
- The submissions received after the late submission deadline will be excluded without prior notice.
- Participation in the Award Competition implies full consent and acceptance of the [‘terms and conditions’](#) and [‘privacy policy’](#) by the Organizers.
- The submitted projects are considered by the author who submits the award entry. Every violation of copyright will be punished with immediate disqualification.

The winner will be the project that will stand out for the proposal's quality and complexity, concerning various design aspects. In particular, the following criteria will be considered in the assessment of the projects.

- **Concept:** A well-driven concept of your thesis will add a point.
- **Representation:** Clearness of ideas and graphic quality and Integration with the context.
- **Board Composition:** Quality of the project and formal composition.
- **Feasibility:** Sustainability of the proposal from the environmental and feasible point.

Note: Do attach a developed statement (not more than 300 words) in a .doc file (separate) describing the topic and method of study and the intellectual content of the design thesis. Should delimit the specific themes to be researched and addressed by the design project.

- The proposal to be presented on Horizontal/Landscape oriented A1/A0 boards (maximum 5 boards per registration).
- Unique Registration Code(URC) must be written in **bold** Century Gothic font, 15 mm in height on the top right corner of each board.
- Name of the submission file: Your Unique Registration Code(URC).pdf for example **ATA2024XYZ.pdf**
- All text must be in English, with **small** captions for project explanation across the boards(not compulsory).
- Submission may be presented using any technique of your choice (sketches, walkthrough, 3D visualizations, model photos, images, CAD drawings, etc.)
- Unique Registration Code(URC) must be the subject of the email. A 72 or 96-dpi resolution is suggested, but also bigger resolutions are allowed as long as the total file attachment doesn't exceed 15 MB in size.
