M.L. Varudh Varavarn

Founder of Vin Varavarn Architects Ltd.
Bangkok, Thailand

About

M.L. Varudh Varavarn is the **Founder** and **Princpal** of **Vin Varavarn Architects Ltd**. is known for its innovative ideas for creative and practical solution, where design quality and care for the living environment are a pre-requisite. Varudh was born in Bangkok, Thailand in 1973. Varudh received his **Bachelor in Interior Architecture** from **King Monkut Institute of Technology Ladkrabang, Thailand** and received his **AA Diploma/ RIBA from the Architectural Association School of Architecture (AA), London**.

Varudh established his own practice "**Vin Varavarn Architects**" in 2005. The practice has developed a reputation for its **emphasis on context** and for its **sensitive and imaginative use of materials**. He believes in the simplicity of architecture, the value of local materials and the appropriation of craftsmanship. Together with his practice, Varudh has been invited as **visiting lecturer** and **judge for many universities** and organizations both in Thailand and abroad. In 2017, His recent project, **Baan Huay Sarn Yaw - Post Disaster School**, has been selected as the **winner of 8th International Biennial Barbara Cappochin Prize of Architecture**. In 2018, Varudh has been appointed as the **chief curator for Thailand Pavilion of 16th Venice Architecture Biennale**, and also has been **nominated for the RIBA International List 2018 by The Royal Institute of British Architects.**

The portfolio of work is unusually varied and includes bespoke commissions from the public and private sectors for varied budget constraints. He is also an **honorary member of M.J. Vodhayakara Foundation**.
