

Ar. Sanjay Patil

Principal at ENVIRON PLANNERS
Nashik, Maharashtra

About

Ar. Sanjay Patil graduated from **Sir J.J. College of architecture in 1980**. He established the firm **ENVIRON PLANNERS in Nashik in the year 1981**.

Environ planners has always worked towards **environment conscious architecture** seeking inspiration from **nature and tradition**. Respecting nature has always been an integral element of the firm's approach. The need of the hour being **sustainable development**, the firm's efforts is consciously directed towards application of **energy efficient** principles to the building design.

The firm has always over the years has designed for **various institutional, industrial, residential**, projects with each of those holding their own **distinctive identity**.

The approach, to craft an environment together has expressed the ability to **integrate landscape (symbolizing nature)** with the built environment, which amalgamates interior and exterior to create a series of **interactive spaces**.
